

# dba: <u>Rehoboth Bay Sailing and</u> <u>Water Sports</u>

5 Year Roadmap

RBSA Planning Committee December 19, 2018

#### MISSION STATEMENT

To promote sailing by offering services, facilities and programs that will appeal to <u>all members</u> as well as the general public regardless of their experience, know how, and specific interests in sailing. The goal is to <u>make RBSA the most desired sailing center</u> on the eastern shore and to ensure the best possible value to our membership and the general public.

#### Planning Lanes and Related Goals

- 1. <u>Members and Membership:</u> Shift focus to improving the membership experience growing membership by 10% per year to a sustainable membership level to over 200 regular members by 2023 (NOTE: This is the overarching goal that will drive much of the planning effort across all planning lanes)
- Programs and Services: Offer a broad range of programs and services that enable increased
  participation in sailing and other club activities at all levels. The RBSA experience will be fun,
  affordable, and low key for both members and the general public
- 3. <u>Facilities and Equipment:</u> Substantial improvement in water front access especially for novices and intermediates; overall emphasis on increased ease of use for everyone. Upgraded campus to support expanded services
- 4. <u>Management and Administration</u>: Migrate to a sustainable managed operation with paid staff to support mission critical programs and functions; possible expansion to include some year-round activities; reduce reliance on member volunteers. Modernize administrative functions and/or re-assign as appropriate.
- 5. <u>Marketing and Communication</u>: Increase emphasis on focused marketing to each demographic such as the growing retiree population, weekenders, singles, women, youth, and vacationing populace
- 6. <u>Finance:</u> Establish a sound financial strategy that will enable realization of RBSA goals yet maintain reasonable fees for members and the public.

NOTE: The planning document is a "living" document that will be updated on a periodic basis, at least once per year. The plan provides a running 'road map' listing milestones that are targeted for specific years beginning with the current year and going 5 years out.

## Planning Lane: **Membership and Members**

Team Lead: **Dick Steinle**As of Dec 19, 2018

Project	Key Milestones	Target Year	Status
Develop and implement a strategy that will encourage members to get better acquainted with each other	<ul> <li>Establish a directory accessible by all members including names and contact information for other members as well where to go for help for specific services (New web site)</li> </ul>	2019	In progress
	Conduct free mixers on a regular basis	2019	See Programs and Services
	<ul> <li>Issue photo member ID and wearable name tags (e.g. lanyard, clip on, etc.) to be used at club events</li> </ul>	2020	May be done in conjunction with web site modernization
Re-design types of memberships to provide more graduated, value- based types of memberships as well as greater flexibility,	<ul> <li>Phase 1: Add more value to the regular membership (free use of SUPS/Kayaks/club boats, when available, priority on preferred boat storage locations)</li> </ul>	2018	Completed pending notification to membership
especially part time summer residents and weekly vacation renters.	<ul> <li>Phase 2: Interval seasonal membership (e.g. 10 days to be used any time during the entire season) with discounts on rentals and lessons</li> </ul>	2019	
	<ul> <li>Non-sailing membership for SUPS and Kayaks</li> <li>Phase 3: Time share ownership of new or newer club-maintained boats</li> </ul>	2019	
Develop and implement a communications plan to foster better communication between Management, The Board, and our membership	<ul> <li>Conduct periodic informal town hall meetings/socials</li> <li>Monthly flyer with topics that matter</li> <li>Update member rules document and publish on the web site and visible areas around the club. (Perhaps appoint a member advisory committee to review and update the rules, subject to Board approval)</li> </ul>	2019 2019 2019	See programs and services

# Planning Lane: **Programs and Services** Team Leads: **Steve Black, Jen Donahue**

As of Dec 19 2018

Project	Key Milestones	Target Year	Status
Expand Sailing School Offerings	Extend operation from June 1 <sup>st</sup> thru Labor Day	2020	
	Add Intermediate Level Class (Juniors & Adult)	2019/ 2020	Adult in 2019 and Junior in 2020
	Create and offer New Member Orientation (Can also be offered to newer members)	2019	In progress; major emphasis in 2019
	<ul> <li>Add focused clinic series for members (e.g. sail trim, rig tuning, basic maintenance/repair, launch facilities, specialized tools, etc.)</li> </ul>	TBD	In progress; may carry over to 2020
	<ul> <li>Add introduction to competitive sailing for juniors (junior high/high school, perhaps in collaboration with local athletic departments)</li> </ul>	2020	
Upgrade instructional support facilities	See Facilities and Equipment planning lane (e.g. fleet, support craft, A/V aids, better classroom facilities etc.)	2020	Develop requirements in 2019 for input to 2020 Budget Planning process
Upgrade Racing Program	Appoint racing program director (paid position)	2020	
	Add junior racing program (including the addition of several one design boats for both training and support 420's and/or Lasers)	2020	
	<ul> <li>Add orientation sessions for novice racers (Basic rules, course layouts, basic tactics, start procedures, etc.)</li> </ul>	2020	
	Build club fleet of one designs for use by members	TBD	
Design and Implement E Z Sail Program	Concierge Service (get boat ready/put away, launch and retrieval)	2021	
	Time share ownership service on newer boats maintained by the club	2021	
	<ul> <li>Provide boat owners with maintenance services (hull repair, rigging repair,</li> </ul>	2019	Approach under development

Key Milestones	Target Year	Status
outboard engine basic maintenance, cleaning, etc.)		
<ul> <li>Continue to expand First Sail Program         (Adult version? On water experience with         instructor, etc.)</li> <li>Connect and collaborate with social groups</li> </ul>	TBD 2020	
<ul> <li>Retirement Communities, etc.)</li> <li>Add on-line sign-up lists for crew sign ups (looking for crew/looking to crew-new web</li> </ul>	2019	
Add Saturday morning mixers/meet & greet with free coffee and continental breakfast; include brief talks on various topics that would be helpful to novice and	2019	
Launch "Lazy Summer Sail Boat Rides" to the public (Ad: sit back and enjoy the ride or participate in sailing the boat with a certified sailing instructor; no previous sailing experience necessary.) This would be an adaptation of the "Sunset Sail" offering but run during normal operating	2020	
Improve communication between the RBSA Board and the membership with occasional "town hall' meetings to discuss upcoming	2019	
Add member directory (perhaps secure access to other members via the new interactive web site) with the possible addition of wearable member photo ID's	2019	Membership team is working on this; see Dick Steinle
Offer group sail charters on other venues (Chesapeake Bay, New England, Caribbean Winter Get Away, etc.)	2020	
Upgrade existing RBSA web site to enable real time servicing for both members and prospective customers/students. Refer to this project under Management and administration	2020	
	<ul> <li>outboard engine basic maintenance, cleaning, etc.)</li> <li>Continue to expand First Sail Program (Adult version? # Planning Lane: Facilities and Equipment Team Leads: Dave Stock, Roger Anderson (Asst),

As of Dec 19, 2018

Project	Key Milestones	Target Year	Status
Upgrade the marina and launch facilities	Develop and design a comprehensive plan design for all waterfront facilities	2019	Initiated late 2018, in progress; no ECD
	Install north hoist and refurbish south hoist	2018	North hoist installed; south hoist rehab underway ECD: 2019
	Improve south beach ramp usability to facilitate trailer launching.  Provide alternative to landing and deporting.	2019	
	<ul> <li>Provide alternative to landing and departing from inside the marina for 'dry' sailors</li> </ul>	2019	
	<ul> <li>Expand mooring field for temporary staging and seasonal mooring</li> </ul>	2019	
	<ul> <li>Mitigate on going silting of marina and access channel</li> </ul>	tbd	
	<ul> <li>Addition of Floating docks/platforms with ramp access</li> </ul>	2019	
	Add SUP and Kayak racks near beach front	2019	
Upgrade Club House including upper and lower decks	<ul> <li>Develop and design a comprehensive plan for all buildings</li> <li>Add ground floor all weather customer service counter/move manager's office to ground floor (?)</li> <li>Upgrade class room space including accordion walls on second floor with large screen tv</li> <li>Relocate garage storage to barn</li> <li>Refurbish bathrooms and showers</li> <li>Add indoor storage lockers and upgrade outdoor lockers adding some larger units as well as winter storage racks for larger masts (rear of building)</li> <li>Add honor bars with stools and perhaps a few pub tables on deck and second floor; add lounge area on second floor.</li> <li>Upgrade deck tables and chairs</li> </ul>	2019	Not started

Project	Key Milestones	Target Year	Status
	<ul> <li>Heat and Air Condition for all season use(?)</li> <li>Upgrade interior lighting</li> <li>Upper Deck Canopy</li> <li>Plus???</li> </ul>		
Upgrade Barn and other Outbuildings	Reorganize barn to establish a secure     work/tool shop with monitored access as     well as overnight storage of carts/tractors     and other equipment	2019	
	<ul> <li>Provide workshop area for members with all- weather space for boat repair</li> </ul>	2020	
	<ul><li>Improve interior lighting</li><li>Provide additional indoor storage lockers in</li></ul>	2019	
	<ul> <li>Add an additional building (pole or butler hut) for winter boat storage including member boats</li> </ul>	TBD	
Upgrade Equipment	Refurbish Replace tractor with equivalent machine	TBD	
	<ul> <li>Refurbish golf carts and/or replace with equivalent machines</li> </ul>	TBD	
	<ul> <li>Update club tool bin with proper tools and supplies for building and boat maintenance</li> </ul>	TBD	
	Additional upgrades to dredging equipment	2019	Purchase auxiliary booster pump
Upgrade club fleet	<ul> <li>Upgrade existing rental fleet including uniform rigging and controls, lines, and refreshed finishes.</li> </ul>	2019	
	<ul> <li>Replace power boats with newer, more reliable craft including 3 center console boats 16 to 20 feet with at least 1 capable of towing.</li> </ul>	2018- 19	Completed
	Add a platform boat for race committee support	TBD	
	<ul> <li>Add several new (or newer) daysailers (19 to 22 feet) for time share program and</li> </ul>	TBD	
	<ul><li>"experience sailing" excursions.</li><li>Add several new/used one design boats to</li></ul>	TBD	
	<ul><li>support the junior racing program</li><li>Additional SUPs and Kayaks based on</li></ul>	TBD	
	<ul> <li>demand</li> <li>Budget for annual maintenance/replacements for club fleet</li> </ul>	2019	Submission for 2020 budget?
Enhance Grounds	Improved, high visibility entrance with impact signage	2020	In progress

Project	Key Milestones	Target	Status
		Year	
	Organize boat storage spots for assigned storage (summer and winter)	2019	In progress
	Improve surfaces (clam shells?) for driveway in and parking areas (including launch area)	2019	
	<ul> <li>Improved signage for use of facilities, cars, dogs, etc.</li> </ul>	201p	
	<ul> <li>Improved landscaping</li> <li>Remediate issues with DelDot drainage ditch</li> </ul>	2019 tbd	

## Planning Lane: Management and Administration

Revised October 2018
Team Lead: Carlyle Hooff

Project	Key Milestones	Target Year	Status
Migration to paid staff model (may include contract services) to support full service operation and expanded training program	Develop staffing plan for 2019     Budget to include but not limited to:	2019	Proposed staff plan submitted to Finance Committee; pending Budget approval
	Update job descriptions and pay scales     Proposed – Club Manager, Admin     Assistant, Bookkeeper - Admin Asst.     and Bookkeeper report to Club     Manager	2019	Job description developed for Bookkeeper; Others in process
	<ul> <li>Recruit and train staff as necessary</li> <li>Develop back up and succession plan for key roles (depends on the decisions made about the authority and responsibilities given the Club Manager)</li> </ul>	2019 2019	Pending budget approval Pending decision on Club Manager roles and responsibilities
Upgrade/automate administrative capabilities for greater efficiency, control, customer responsiveness, and marketing support	<ul> <li>Modernize existing web site with a fully interactive data base to support most programs and service offerings to include but not limited to on line rental reservations, class registrations, event sign ups, electronic payment, point of sale cash/credit transactions, member applications, member self- service tasks (boat registrations, member profiles), and all other functions listed in the web services functional requirements document.</li> <li>Upgrade existing computing</li> </ul>	2019	Update system requirements document; solicit and evaluate potential vendors/price; plan for funding and implementation in 2020; develop plan for on site hardware, software, and upgraded telecom.
	hardware including new desktop and several tablets; new laser jet		

Project	Key Milestones	Target Year	Status
	<ul> <li>printer, USB card swipe devices         with receipt printers</li> <li>Upgrade telecom, if necessary</li> </ul>	2020	
			YES
Upgrade security	<ul> <li>Add additional security cameras and upgrade recording system; post</li> </ul>	2020	YES
	<ul><li>warning signs</li><li>Add additional motion sensing monitors around boat storage areas</li></ul>	2020	YES
	(trigger filming, lights and management alerts) for off hours coverage.		
Update/revise RBSA operating manual	<ul> <li>Review and update RACI Chart (List of administrative responsibilities currently assigned to various Board members and some paid staff; shift more responsibilities to paid staff/Also listed under Governance)</li> </ul>	2019	Pending
	Convert existing hard copy manual and forms to electronic copy that can be easily updated as needed	2020	
	Develop and execute a plan to facilitate undocumented knowledge transfer from key subject matter experts to staff and incorporate into the RBSA operating manual	2019	
Upgrade	Recruit and hire new Bookkeeper	2018	Completed
accounting procedures and	Realign reporting of Bookkeeper     from Treasurer to Club Manager	2018	Completed
controls	<ul> <li>from Treasurer to Club Manager</li> <li>Conduct an internal audit during the transition of books to new Bookkeeper</li> </ul>	2018	TBD
	Review and refine financial procedures – document revisions	2019	
	<ul> <li>Review and refine budget process</li> <li>Review and refine financial reporting to Board</li> </ul>	2019 2019	

## Planning Lane: Marketing and Communication

Team Lead: Terry Jaywork
As of Dec 19 2018

Project	Key Milestones	Target Year	Status
"Re-Brand" RBSA	Formalize name change RBSA doing business as     "Rehoboth Bay Sailing and Water Sports"	TBD	
Design and develop targeted marketing plan	<ul> <li>Retiree population community outreach</li> <li>Summer population outreach</li> <li>Millennial/Gen X outreach</li> <li>Members "Bring a Friend" (possibly with a dues discount for new members)</li> </ul>	TBD TBD TBD TBD	
Develop multimedia promotional campaign	<ul> <li>Create short video highlighting sailing on Rehoboth Bay</li> <li>Integrate social media channels (Facebook, twitter, etc. with modernized web site)</li> </ul>	TBD TBD	
	<ul> <li>More spot ads in freebie resort papers</li> </ul>	TBD	
Plan to more effectively leverage public events	Expand First Sail program to include adults in addition to youth as well as on water sailing experiences	TBD	
	<ul> <li>Include sailboat rides with open houses</li> <li>Presence at local events (e.g. Coast Day, etc.) with hand out tickets for a freebie at RBSA (freebie tbd)</li> <li>Presence at boat shows</li> </ul>	TBD TBD	
Develop Cooperative Programs with Local	Begin dialogue with Delaware State Parks (Indian River Camp Ground) and Cape Henlopen	TBD TBD	
Resorts/Camp Grounds, HOA's	<ul> <li>Contact prominent area Property Management Companies/Community HOA's to distribute specially targeted flyers/perhaps in conjunction with open houses</li> </ul>	TBD	
Develop and implement customer data mining techniques to promote	Develop customer information data collection process tied in with reservation/registration process.	TBD	
follow up visits	<ul> <li>Develop mechanism to do follow up promotional campaigns through emails to the non-member customer base</li> </ul>	TBD	
	(NOTE: These capabilities will be included in the upgrade of the existing web site which will include an interactive data base and email campaigns for doing customer analytics and follow up: See Facilities and Equipment planning lane)		

Planning Lane: Finance Team Lead: Terry Jaywork As of January 31, 2019

Project	Key Milestones	Target Year	Status
Develop Capital Improvement Funding Program to Support Road Map Initiatives	<ul> <li>Define and implement a standardized template to obtain cost estimates for various road map initiatives</li> <li>Develop and implement strategies to build targeted capital reserves</li> </ul>	2019	
Migrate to a seasonalized budget tracking and forecasting process	<ul> <li>Develop seasonalized (monthly) income and expense reporting including monthly variances and projected year end variance (estimated run rates)</li> <li>Implement new budget tracking process including process for managing significant projected variances.</li> </ul>	2019	
Establish step by step budget preparation schedule (includes coordination with each planning committee for input and review).	<ul> <li>Create model schedule for planning committees to follow. (Include template for data collection)</li> <li>Implement new budget preparation schedule</li> <li>More spot ads in freebie resort papers</li> </ul>	2019	No later than September
Design and implement effective financial controls	<ul> <li>Document control procedures covering purchasing, cash, accounts payable, etc.</li> <li>Phase in new controls</li> </ul>	2019
